

Intellectual Property Law

Volpe Koenig is seeking an Intellectual Property Attorney experienced in telecommunications. This position is based either in our Philadelphia, PA office or as a totally remote position.

Responsibilities:

- Preparation and prosecution of patent applications;
- Preparation of claim charts to products and industry standards, such as 3GPP LTE and NR standards, and IEEE 802.11 WiFi standards, demonstrating infringement, support, and validity;
- Conduct IP related due diligence;
- Manage a large docket of domestic and foreign patent prosecution, and direct foreign counsel;
- Develop portfolio strategies and effectively communicate with clients.

a. Skills and Experience:

- At least a Bachelor of Science in Electrical Engineering, Computer Engineering, Computer Science, Physics, or similar discipline;
- JD and admission to practice before the US Patent Office;
- Excellent communication skills and ability to convey complex information in a concise manner and be able to think on their feet;
- 3-5 years of Intellectual Property Law experience;
- Excellent patent analysis ability;
- Ability to interface independently with clients;
- Strong technical experience in telecommunications and related industry standards.

b. Benefits:

We offer a competitive benefits and salary package, including but not limited to:

- Health, vision, and dental benefits with employer contribution to individual and family monthly premiums;
- Life insurance;
- Short term disability insurance;
- Long term disability insurance;
- 401(k) with match;
- Discretionary bonuses;
- Discounted corporate gym membership;
- Flexible work/life balance.

c. Interested Candidates:

Interested candidates are asked to submit their cover letter, resume, and writing samples via email to the Executive Director, [Jerry Wyckoff](#).
