[aparikh@vklaw.com](mailto:aparikh@vklaw.com)

Alok concentrates his practice on all aspects of intellectual property, including litigation, prosecution, licensing, valuation, and brokerage. He is also a registered patent agent with the USPTO.

Throughout his career, Alok has worked with a wide array of complex hardware and software technologies including wireless and cellular communications, semiconductor devices, vehicle telematics, home automation, LED lighting, and medical devices.

### **Previous Work and Industry Experience**

Prior to joining Volpe Koenig, Alok worked at both intellectual property law firms and a management consulting firm in the Chicago IL area where he served as strategic legal and business counsel for numerous high-tech industries. Before attending law school, he also gained valuable experience working as a consultant for Accenture LLP in its Network and Wireless Technology practice group.

### **Experience**
