

Jerry is responsible for the oversight of all core firm operations, including Accounting, Human Resources, Information Technology, Facilities, Marketing, and Practice Management.

With more than 15 years' experience in the legal profession, both as a practitioner and as an executive, Jerry has a strong track record of streamlining operational efficiencies to achieve financial results. His background in firm administration and finance lends support to the firm's continued growth.

### Previous Work and Industry Experience

Prior to joining Volpe Koenig, Jerry was Firm Administrator at Mullin Hoard & Brown, a national litigation and trial practice law firm in Amarillo, Texas. Jerry is also a paralegal, and holds Bachelor's Degrees in Youth Ministry and Sociology from Eastern University, St. Davids, Pennsylvania.

### Life Beyond Law

Jerry is active in Type 1 Diabetes research for a cure and technology that enhances the daily management of T1D.
