

Michael's practice focuses on electrical and software engineering related technologies, such as wireless communications, cloud computing, and consumer devices.

He regularly provides intellectual property related counsel to companies ranging from those on the Fortune 500 list to Philadelphia-based small businesses. His practical guidance assists companies in developing and protecting their intellectual property assets globally.

Previous Work and Industry Experience

Before joining Volpe Koenig, Michael was on his way to becoming a primary patent examiner at the U.S. Patent and Trademark Office, where he dealt with a wide range of subject matters.

Life Beyond Law

Michael enjoys spending time with his growing family and singing with the Orpheus Club (one of the oldest men's amateur singing groups in the United States).

Experience

Michael's notable experience includes:

- Providing comprehensive IP due diligence to a European manufacturer seeking to enter U.S. markets.
