
IPWatchdog's Survey of "Top Patent Firms" By Issued Utility Patents Ranked Volpe and Koenig in the Top 10%

02.17.2017

Volpe and Koenig ranked in the top 10% of 681 firms or in-house legal departments for the number of U.S. utility patents issued in 2016. This ranking underscores the impressive volume of dedicated work done by Volpe and Koenig's patent team.

IPWatchdog is a leading intellectual property law blog that was recognized in the ABA Journal's "Blawg 100 Hall of Fame." The "Top Patent Firms" ranking was based on the number times a firm or company was listed on utility patent cover pages for the calendar year 2016.
